POLICY TERMS

The School Food Authority (SFA) assures the Georgia Department of Education (GaDOE) that the school system will uniformly implement the following policy to determine children's eligibility for free and reduced price meals in all child nutrition programs under its jurisdiction. In fulfilling its responsibilities, the SFA:

- A. agrees to serve meals free to children from families whose income is at or below that listed in the Income Eligibility Guidelines (Attachment A);
- B. agrees to serve meals at the reduced price of not more than 40 cents for lunch and 30 cents for breakfast to children from families whose income is at or below that listed in the Income Eligibility Guidelines;
- C. agrees to provide these benefits to children from families experiencing unemployment which causes the family income to fall within the criteria specified in the Income Eligibility Guidelines;
- D. agrees that there will be no physical segregation of, or any other discrimination against, any child because of inability to pay the full price of the meal. The names of children eligible to receive free or reduced price meals shall not be published, posted, or announced in any manner and there shall be no overt identification of any such children by use of special tokens or tickets or by any other means. Further assurance is given that children eligible for free or reduced price meals shall not be required to:
 - 1. work for their meals,
 - 2. use a separate dining room or separate area of the dining room,
 - 3. go through a separate serving line,
 - 4. enter the dining room through a separate entrance,
 - 5. eat meals at a different time, or
 - 6. eat a different meal from the meal sold to children paying the full price;
- E. agrees that in the operation of child nutrition programs, no child shall be discriminated against because of race, color, national origin, age, sex, or disability, and;
- F. agrees to establish and use a fair hearing procedure in cases of appeal by parents of the school's decisions on applications and for school officials' challenges to the correctness of information contained in an application or of the continued eligibility of any child for free or reduced price meals. During the appeal and hearing, the child will continue to receive free or reduced price meals.

A record of all such appeals and challenges and their dispositions shall be retained for five years after the end of the fiscal year to which they pertain.

Prior to initiating the hearing procedure, the parent or local school official may request a conference to provide an opportunity for the parent and school official to discuss the situation, present information, and obtain an explanation of data submitted in the application and decisions rendered. Such a conference shall not in any way prejudice or diminish the right to a fair hearing.

The hearing procedure shall provide:

1. a publicly announced, simple method for making an oral or written request for a hearing,
2. an opportunity to be assisted or represented by an attorney or other person,
3. an opportunity to examine, prior to and during the hearing, the documents and records presented to support the decision under appeal,
4. that the hearing shall be held with reasonable promptness and convenience and that adequate notice shall be given as to the time and place of the hearing,
5. an opportunity to present oral or documentary evidence and arguments supporting a position without undue interference,
6. an opportunity to question or refute any testimony or other evidence and confront and cross-examine any adverse witness,
7. that the hearing shall be conducted, and the decision made by a hearing official who did not participate in the decision under appeal, or any previous conference,
8. that the decision of the hearing official shall be based on the oral and documentary evidence presented at the hearing and made a part of the hearing record,
9. that the parties concerned, and any designated representative thereof shall be notified in writing of the decision of the hearing official,
10. that a written record shall be prepared with respect to each hearing. This record shall include the decision under appeal; any documentary evidence and a summary of any oral testimony presented at the hearing; the decision of the hearing official, including the reasons therefore and a copy of the notification to the parties concerned of the hearing official's decisions, and

11. that such written record of each hearing shall be preserved for a period of five years after the end of the fiscal year to which it pertains and shall be available for examination by the parties concerned or their representatives at any reasonable time and place during such period;

G. agrees to designate a determining official to review applications and make determinations of eligibility. In accordance with State Rule 160-5-6-.01 STATEWIDE SCHOOL NUTRITION PROGRAM, this responsibility must be assigned to School Nutrition personnel. This official will use the criteria outlined in this policy to determine which individual children are eligible for free or reduced price meals;

H. agrees to develop and send to each child's parent or guardian a letter including an application form for free and reduced price meals at the beginning of each school year and whenever there is a change in eligibility criteria, unless specifically exempted from doing so (Attachments B, C, and D).

Parents will be requested to complete the application and return it to the school. Such applications and documentation of action taken will be maintained for five years after the fiscal year to which they pertain or according to the system's records retention schedule, whichever is longer. If audit findings have not been resolved, the records shall be retained beyond the five-year period as long as required for the resolution of issues raised by the audit.

Applications may be filed at any time during the year and any parent enrolling a child in a school for the first time, at any time during the year, shall be supplied with such documents.

If a child transfers from one school to another under the jurisdiction of the same SFA, his/her eligibility for free or reduced price meals will be transferred to and honored by the receiving school. The original application will be on file in the school the child currently attends, and a copy of the application will be available at schools formerly attended unless the applications are filed centrally.

All children from a household will receive the same benefits based on income information or categorically if the household receives SNAP or TANF benefits. For households with both foster children and non-foster children, the foster child is included as a household member and any personal use income received by the foster child is reportable. Parents or guardians will be notified, within 10 working days, of the acceptance or denial of their applications. Children will be served meals at the free or reduced price immediately upon their establishment of the eligibility. When an application is rejected, parents or guardians will be provided written notification with information as specified in the Notification of Eligibility Determination Letters. (Attachments D, E, and F);

- I. agrees to designate a hearing official to establish and use a fair hearing procedure as described in F. above.

(Note: This person must be someone not involved in the original eligibility determination or the verification. It is suggested the hearing official be someone who holds a position superior to that of the determining or verification official.);

- N. agrees to select and verify, by November 15, the eligibility of a sample of the approved free and reduced price applications on file as of October 1. Verification will be achieved using the designated method (Attachment L);

- O. agrees to maintain for a period of at least five years a description of verification efforts, including:

1. A summary of the verification efforts including the selection process;

- X. agrees a foster child is categorically eligible for free meals and may be included as a member of the foster family if the foster family chooses to also apply for benefits for other children and provides an explanation that including children in foster care as household members can help other children in the household qualify for free or reduced price meals. If the foster family is not eligible for free or reduced price meal benefits, it does not prevent a foster child from receiving free meal benefits;
