

Did you know that it is national Farm to School month?

What do you think farm to school means?

Would you rather:

Eat pumpkin
OR
Carve a pumpkin

?

Yellow squash is one of the top 10 vegetables produced in Georgia.

Do you know any other types of summer squash?

Did you know pumpkins are a type of squash?

Can you eat pumpkins?

The skin on summer squash is thin and can be cooked and enjoyed with your dishes.

Are there types of squash with skin that cannot be eaten?
Why?

Do you know how squash grow?

Squash all grow above the ground, but some grow in a bush type plant while others (mostly winter squash) grow on a vine that spreads all over the garden.
