

Strawberry Hearts

a recipe from Georgia School Nutrition Program

PREP TIME: 5 minutes CATEGORY: Snack

Ingredients:

Strawberries, fresh Georgia Grown

Steps:

1. Cut the green tops off each strawberry by cutting a "v" shape into the top of the strawberry. Remove and discard the tops.
2. You now have a large strawberry heart. You can cut the strawberry in half by starting at the top of the strawberry to create 2 hearts.
3. Arrange strawberry hearts on a plate and share them with those you love!
