Strawberry Hearts
a recipe from Georgia School Nutrition Program

PREP TIME: 5 minutes  CATEGORY: Snack

Ingredients:
Strawberries, fresh Georgia Grown

Steps:
1. Cut the green tops off each strawberry by cutting a “v” shape into the top of the strawberry. Remove and discard the tops.

2. You now have a large strawberry heart. You can cut the strawberry in half by starting at the top of the strawberry to create 2 hearts.

3. Arrange strawberry hearts on a plate and share them with those you love!
