

Watermelon Popsicles

a recipe from Georgia School Nutrition Program

PREP TIME: 20 minutes CATEGORY: Snack

Ingredients:

Watermelon, fresh Georgia Grown

Craft sticks and/or kitchen items that can be used as a popsicle stick, ex: small fork or spoon (optional)

Steps:

1. Slice a watermelon into wedge shaped pieces.
2. Cut and small opening in the middle of each of the rinds and insert your popsicle stick (optional).
3. Arrange the watermelon wedges on a pan or plate lined with parchment paper.
4. Freeze the watermelon wedges for at least 2 hours. Enjoy!
