

June

Name as many colors as you can of tomatoes that you have seen.

June

Would you rather:

tomato
OR
to "mah" to

?

June

Tomatoes are one of the top 10 vegetables produced in Georgia.

Have you ever grown a tomato or eaten a freshly picked one? How did it taste?

June

Did you know tomatoes come in many sizes and colors?

Which ones have you tried?

June

Tomatoes are often thought of as a vegetable from a nutrition perspective but as a fruit botanically.

Do you have any guesses why?

June

Do you know how tomatoes grow?

Tomatoes grow on a plant above the ground that often needs support. Have you seen tomato plants supported by things in the garden?
