What is your favorite blueberry recipe?

Did you know blueberries were once commonly called star berries?

Can you guess why?

Both fresh and frozen blueberries are high in nutrients. Do you eat blueberries more often during breakfast or lunch? What types of recipes do you enjoy them in?

Do you know how blueberries grow? Blueberries grow on a bush and as soon as they turn from a pink to the beautiful blue color, the race is on to pick them before birds and other animals enjoy them.
