

Why do you think a strawberry is called a “strawberry?”

Would you rather:

fresh strawberries

OR

strawberry flavored recipes

?

There is an annual strawberry festival in Georgia.

Have you ever picked strawberries at a Georgia farm?

Did you know strawberries are one of the first fruits of spring?

What are your favorite things about springtime?

The deep red color and shape of strawberries are a good reminder that they are good for our hearts.

What are your favorite ways to enjoy strawberries?

Do you know how strawberries grow?

Strawberries grow close to the ground on plants that send out runners that produce new plants.
