

What are some things you think about when choosing a watermelon?

Would you rather:

seeded
OR
seedless
watermelon
?

Georgia ranks #2 nationally in watermelon production.

Which areas of Georgia do you think produce the most watermelons?

Did you know whole watermelons float in water?

How is this possible?

As its name suggests, watermelon is mostly water.

It is a great fruit to help keep us hydrated in the summer months. What does it mean to be well hydrated?

Do you know how watermelon grows?

Watermelon grows on a vine above the ground, and it is best to pick them when they feel heavy for their size.
