

School Year 2020 - 2021 State Nutrition Director's Advisory Council Members Revised August 2020

The School Nutrition (SN) Director's Council is a group of directors, state staff, professional association and industry members that are asked to serve. The purpose is to act as a think tank for the profession and serve as a liaison with other directors in the same Congressional district and surrounding areas of the state of Georgia. This list changes periodically based on several factors, one being time and availability to serve. The number beside each member's name is the Congressional district in which they work and/or live and represent. In general, directors rotate off every 3 years; certain state staff members are appointed as needed. The Georgia SN Association Industry Chair and President serves a 1-year term.

Shelley Daniel DISTRICT 1

Glynn County
