What is your favorite blueberry recipe?

May

Did you know blueberries were once commonly called star berries?

Can you guess why?

May

Both fresh and frozen blueberries are high in nutrients. Do you eat blueberries more often during breakfast or lunch?

What types of recipes do you enjoy them in?

May

Do you know how blueberries grow?

Blueberries grow on a bush and as soon as they turn from a pink to the beautiful blue color, the race is on to pick them before birds and other animals enjoy them.
